

STRAZ1000ES

With 100 watts, the STR-AZ1000ES delivers cinematic sound with crystal-clear music reproduction, object-based surround sound, and support for Dolby Atmos, DTS:X, and 360 Reality Audio. With optimized configurability, flexible connectivity, "Works with SONOS" certification, and support for the leading control and remote monitoring systems like Control4, Savant, Crestron, OvrC, and Josh AI, the STR-AZ1000ES is built for integration.
